WHO WE ARE:

- For over **5 years**, **BAMBINO ADVERTISING & MARKETING** has substantially increased company brand recognition and transformed businesses into leading brands.
- We provide an integrated and target driven platform to efficiently connect brands with the audience they are intended to reach.
- We guarantee every ad is played a minimum of 3,000 times a month per location.
- We guarantee your ad will be up and running within 48 hours and can be changed within 48 hours at no charge
- Our team of advertising & marketing experts provide a clear-cut strategy for businesses looking for a unique branding and marketing solution serving local, national, and international clients.
- Due to our captive targeted audience and wide variety of locations, our services are for every business type.
- We focus on results by utilizing tried and true advertising models as well as new techniques and practices of having your ads play thousands of times to make you unforgettable at a fraction of the costs of regular advertising.
